Relevant Project Experience

Kurt Munding has over 20 years' experience as a Landscape Architect and irrigation designer. While working at Design Concepts from 1998-2011 he managed many projects from concept through construction. In addition to overall project management he was also responsible for management and production of 90% of the irrigation design projects in the office during that time frame. Kurt worked on and was involved with hundreds of projects during those 13 years, below is a list of the main Colorado clients Kurt has experience working with.
